24 September 2018

Tena koutou,

On behalf of the Board of Trustees I wish to thank you all for the support and enthusiasm for the journey in choosing our new Principal. We have now held interviews and announce that the appointment has been made.

Regan Williams has been successful in his application and today the announcement has been made to staff and our community. Regan will take up this new role at the start of Term 1, 2019.

We received a huge level of interest in the role and a total of 30 applications were received with a very high calibre of people expressing the desire to lead your school. This is an endorsement of the strong reputation of the school, its students and place in its community. We wish to thank each of you for the part you have here.

A collation of the community feedback we received will be placed on the windows by the library. This was provided to all applicants we interviewed. We hope you enjoy the summary of who we are as a school as much as we do.

We think there is good reason for us all to be excited about the future, moving onwards and together; for the benefit of our tamariki.

Nga mihi,

Joanne McCracken
Chair, Rotokawa School Board of Trustees
